

Roll Heat transform machine

Media Width	1700 mm 67 inch
Diameter of Drum	420 mm 16.5 inch
Transfer Speed	0-8m/min
Reated power(KW)	30KW
Voltage(V)	220/380
Fed-in media	Transfer paper,fabric,protective paper
Voltage / Heating Power	220/380/440/480 Three phase four wire
Machine Size	2670*1570*1700mm
Packing Dimension	2840x1680x1900mm
Weight	2200 KG
Note	Custom size by your special order.
	Customized machine to work with different power supplies
Recommend compressor	Required
